TEN CENTS

May Have Double Sessions in Fall At Orinda School

So rapidly is the population of Orinda's schools growing that double sessions may be necessary in the first three grades at Orinda Grammar School next fall, Superintendent Joseph L. Sheaff stated this week.

Enrollment figures reported by Sheaff at the Orinda School Board's meeting, Monday night at Orinda School showed a total of 991 students, an increase of eight over a month ago.

At Orinda School, enrollment is 555, while at Glorietta School it is 436.

THE BOARD DECIDED to make renewed efforts to get some word on price regarding parcels urgently needed as school sites.

Board President Edgar B. Stewart will make further efforts to get estimates from the East Bay Municipal Utility District on property at the west end of Washington Lane in Sleepy Hollow, and from the Moraga Land Company on three possible sites on the Moraga side—one behind the new Inland Valley subdivision, another on Moraga Highway below Moraga Del Rey and a third off El Camino Moraga.

"WE'VE GOT TO GET started on a new building as soon as we can," Sheaff stressed. "In order to meet the needs of our growing school population, a new school must be ready by the fall of 1952 at the latest."

"We could use a new school right away. In fact, it looks as if we may have to have double sessions in the primary grades at Orinda School next fall."

The board decided to obtain estimates on re-roofing parts of the Orinda School. Portions of the present roof have been leaking badly all during the rainy weather.

Contractor David Zuckerman's completion of certain outside work at Orinda and Glorietta Schools was accepted. This work, including painting, grading and paving, had originally been scheduled for earlier completion, but Zuckerman had run into difficulties because of inclement weather and had been granted an extension of time.

SHEAFF WAS AUTHORIZED to determine the cost to enlarge the teachers' room and relocate the principal's office at Glorietta School. The teachers' room is too small, and to enlarge it, tearing down of the wall of the adjoining principal's office would be necessary. This in turn would require a new location for the principal's office.

In other actions, the school board: 1.—Hired Mrs. Audrey Dochterman as third grade teacher at Orinda School for the remainder of the school year, to replace Mrs. Ramona Du Bois, who has resigned.

2.—Adopted the calendar for the 1951-52 school year, with opening day set for September 10.

3.—Granted use of Orinda School auditorium to the following organizations for the dates specified: Clippers and Shipmates, October 11, 12 and 13; Moraga Meadows Association, May 17; Diablo Valley Area Girl Scout Council, May 29, 30 to 4 p.m.; Girl Scouts of Orinda, May 25, 7:30 p.m.

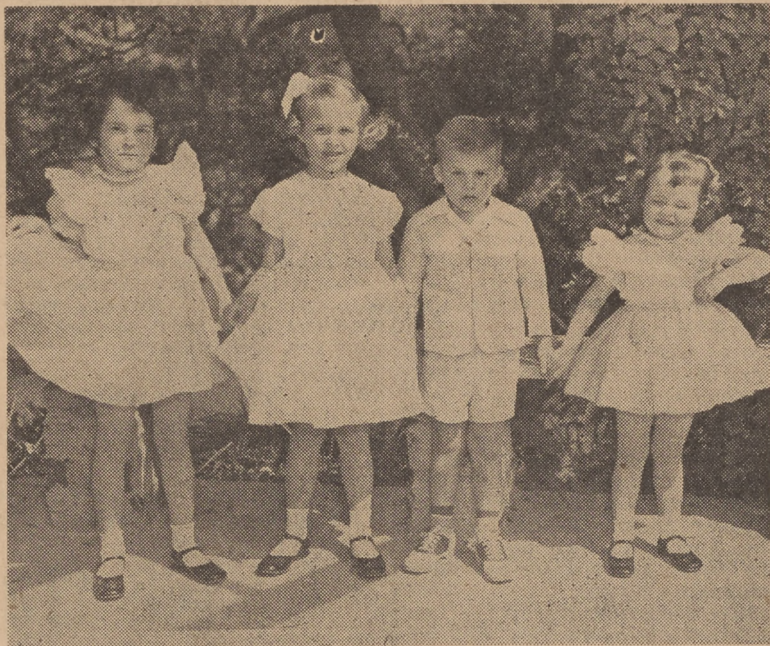

Moraga Meadows To Have Supper

Second annual potluck supper of the Moraga Meadows Improvement Association will be held at the Orinda school on Thursday at 7:30 p.m., it was announced today by Thomas Mika, president of the association.

The potluck supper is the only social event for the year for members of the association and all persons in the area are urged to attend. The only business will be a brief discussion of the current sewer situation, to inform members how soon they can connect their sewers. Community singing and dancing will conclude the evening.

Reservations for the dinner may be made with Mrs. Thomas Mika, or with Mrs. Edward Withners.

In charge of prizes are Mrs. Al Ayres and Mrs. Paul Harrison. Serving coffee will be Mesdames Abe Doty, Fred Evans, Esther Pierce, Kenneth Brown, Bill Kooreman and Mika. A charge of 50 cents per person will be made.

HERE ARE FOUR REASONS, among many others, for the outstanding success of Wednesday afternoon's canasta-bridge luncheon and Children's Fashion Show staged at the Diablo Country Club by the Orinda and Tanager units for the benefit of the Mt. Diablo Child Therapy Center. These youngsters were among the models. Left to right, they are Pamela Anderson, Barbara Brush, Stephen Brush and Ronalee Anderson. Some 700 persons enjoyed the affair.

Season Opens For Park Pool

The season opens for the Orinda Park Pool at 10:00 a.m. All members will be requested to gate.

Guests may not attend the pool during the month of June until after 4:00 p.m., and at ALL times will not be admitted without prior telephone reservations. No guest may be admitted more than five times during the season.

It is necessary to enforce these regulations for the comfort and pleasure of the membership as a whole, and cooperation is requested from all 1951 members.

School Trustee Election on 18th

Election of a school trustee for the Orinda Union School District will be held next Friday, May 18, at Orinda School. The polling place will be open from 7 a.m. to 7 p.m.

Incumbent J. S. Fraser is the only candidate who has filed for election to the one position open on the board.

In addition to voting for an Orinda District trustee, Orindans will also vote for a trustee of the Acalanes Union High School District and for two trustees of the Contra Costa Junior College District.

Incumbent John F. Chaddock is the only candidate for the one post on the high school board.

For the junior college board, L. C. Merritt and incumbents Elton Brombacher and O. J. Wohlge-muth have filed.

Mills Play Is Cancelled Here

Orinda Dramateurs announced today that the play, "Fortunato," which was to be presented by Mills Theater Guild under their sponsorship Monday night, has been cancelled.

Through a chain of circumstances in which Arch Lauterer, executive director of the group, Paul Sherman, cast member and Ian Zellich, who conducts scene changes and manages technical stage installation, all had other commitments arise that made their appearance impossible, Orinda Dramateurs were forced to drop their plans, according to Jeannette Wright, production manager.

Little Symphony Interest Mounts

Musicians in ever-increasing numbers are taking part in the Friday night meetings of the organizational group which is working to establish an Orinda Little Symphony.

Assurance of the Musicians Union of both Alameda and Contra Costa County that participation of both union and non-union members in formation of the symphony group meets with their entire approval is expected to lend even more impetus to the project.

Dan Popovich and Oscar Busch are associate conductors of the weekly sessions which meet at Orinda Community Church at 7:45. Andy Blalock has been acting manager.

Missing 2 Weeks, John Engelsman Comes Back Home

After a two-weeks' intensive search for him had been conducted throughout the state and the Southwest, 19-year-old John Engelsman of 21 Los Dedos Road, Orinda, returned home last Sunday, Inspector Norman Wilson of the sheriff's office reported.

Engelsman said he had been fishing in Lake County and had been prevented by heavy rains from coming back sooner.

John's mother, Mrs. C. P. Engelsman, notified the sheriff's office Monday morning that her son had returned.

THE YOUTH HAD LAST been seen in Lafayette about 11 p.m. April 23, and apparently had driven off in his 1940 Ford coupe. Frantic efforts to locate him were made by his father and mother, who did not hear from him during his absence.

In addition to scouring the county, the sheriff's office sent out an All Points Bulletin throughout the state, dispatched telegrams to Texas and New Mexico authorities and sent a man to San Francisco in the search, Wilson said.

THE INSPECTOR POINTED out that these widespread efforts were more than the sheriff's office usually does in such cases, since a "tremendous volume" of reports of missing persons comes to the office.

"It's a simple courtesy by us that we make known to authorities elsewhere that a local person is missing," he explained. "By alerting authorities in other counties we increase the chances of locating the missing person by those authorities."

"IN THIS CASE WE also sent telegrams to Texas and New Mexico, and I sent a man to San Francisco. In addition, of course, I personally did all I could, investigating the matter and questioning people."

Friends of the family sought to aid in the search. It was feared that the youth had met with foul play or that he might have crashed off a steep hill into one of the many ravines in this area.

Engelsman was employed in the mechanical department of the SUN.

Water Whiskey? Hearing Put Off Until May 18th

Hearing on charges that Jay S. Bedsworth, Tunnel Inn operator, had bonded whiskey diluted with water at his bar last winter has been postponed until May 18, 2 p.m., by Judge Clifford L. Thomson in Walnut Creek.

The case had been scheduled for Wednesday of last week, but at request of Ed Barnett, attorney for Bedsworth, the continuance was granted.

Bedsworth has vigorously denied the charges, which were filed last month by R. D. Mayer of the State Department of Health, Food and Drug Division. The dilution is alleged to have existed January 26.

Business Trip

Bill Seroy returned last weekend from a four-day business trip flight to Indianapolis and home.

McKinley Elected Lions President; FBI Man Speaks

Jerry McKinley was elected president of Orinda Lions Club at Orinda Willows Wednesday night.

Other officers named were Walter Friberg, 1st vice-president; Kenneth Courtright, 2nd vice-president; Bart McMahon, 3rd vice-president; Joe Navone, secretary; O. P. McVicker, treasurer; Robert Frolich, tail twister; Matthew Allen, Lion tamer. Tom Snow and Stewart Wade were elected directors. Installation night has been set for June 18.

GUEST SPEAKER on the program was Dale Stoops, Special Agent of the F.B.I., and resident of Happy Valley.

Stoops stressed the importance of the work with the 19 to 23 age group of men. Incidence of crimes in this bracket was listed highest at age 21, then age 22, 23, 19 and 20. He revealed that there are one-and-a-half million felonies each year, an average of one every 18 seconds.

Cooperation of the church, schools, scouts and home were cited as the biggest factor in cutting down on crime. Six out of ten youthful offenders are repeaters, Stoops said.

"Parents should know how young people spend their spare time," the agent pointed out. "A few minutes spent in the wrong way could spoil a child's whole future."

He urged that Lions and parents "dedicate their efforts to maintenance of security in the home."

Lions attending the conference at Hoberg's this weekend are Jerry McKinley, George Hartzell, Sr., Joe Navone, James Lucas, Harry Bederman and Paul Vassell.

The annual Lions Golf Tournament will be held next Thursday, 1 p.m., at Orinda Country Club. John Stoffel is co-chairman with Jack Cooper. A Blind Bogie contest, the Lions Club perpetual cup will be awarded the winner.

Cub Pack 52 Wins; Pack 32 Loses

In the Diablo Area Cub Scout Baseball League games played last Saturday, the following scores were recorded:

Alamo Pack 53 won over Moraga 57; Pleasant Hill 58 won over Walnut Creek 59; Pleasant Hill 45 beat Walnut Creek 43.

Orinda Pack 52 won over Ygnacio 46; Walnut Creek 6 defeated Orinda 32; Danville Pack 36 beat Lafayette 38.

In a make-up game played Monday, Orinda Pack 52 defeated the Danville pack team.

'You're In Navy Now' to be Shown

"You're in the Navy Now" will be presented Wednesday, Thursday and Friday at the Orinda Theater. The 12th Naval District Bank and a Navy Choral Group plan a performance along with the Wednesday night show.

Commander E. V. Gamble, local representative of the Commandant of the 12th Naval District, will introduce this Navy sponsored program. Signal flags and other displays will decorate the lobby, according to Horace Breed, U.S.N.R.

Enthusiastic Crowd Expected at Field Day Sponsored by Rotary Club

If the contagion has spread at home as it has in Orinda and Glorietta Schools, there should be a thoroughly enthusiastic crowd of adults and children at the Orinda Rotary sponsored Field Day at Orinda School tomorrow.

Rotary has provided 120 medals, first, second and third place winners in each event to receive one. Awards are on display at the American Trust Company, Phair's Orinda Store and at both schools.

SCHOOLS SUPERINTENDENT Joseph Sheaff heads the Rotary committee arranging this first annual project. Frank Olson, Rotary president, and Frank Isola, physical education instructor at the schools, his hard-working aides.

Events of the day, scheduled from 10 a.m. to 2 p.m., include the 50 yard dash, 75 yard dash, various novelty races, baseball throws for distance and throws for accuracy, basketball shooting and volleyball, broad jump, high jump, and others. Both boys and girls will enter the various competitions.

Red Cross Unit Sets Up Local Disaster Plans

With plans completed for an effective Orinda Red Cross Disaster Unit, the way was cleared this week for speedy formation of a community-wide civilian defense council.

This was stated by George Eberhart, Orinda first aid station disaster unit chairman for the Red Cross, who reported on final Red Cross preparedness plans for the community.

Final Red Cross organizational disaster plans were worked out at a meeting at Orinda School Thursday night of last week, Eberhart said. Some 25 Red Cross members discussed details needed in order for Orinda to be ready for any emergency, and agreed on the following outline in case of disaster:

1.—**DISASTER TEAMS** to be stationed at Glorietta School, Orinda School and Orinda Country Club.

2.—A general feeding station "soup kitchen" in the parking area behind the Orinda Theater, to be operated by the staff of the Orinda Willows.

3.—Registered nurses and all persons trained in first aid to be assigned to a station.

"THE DISASTER TEAMS are fully staffed and training in Red Cross methods will get under way soon," Eberhart said.

In connection with plans for service of registered nurses and persons trained in first aid, Eberhart stated that there is no registry of registered nurses in Contra Costa County.

"We'll have to start from scratch, and get a complete list of all registered nurses in Orinda," he said. "Also, we want a list of all people with first aid training."

"All registered nurses and first aid people in Orinda are urged to get in touch with Mrs. Glen Holtwick, 10 Las Palomas. Her phone is Orinda 7291."

"These people will be of great value, not only in helping in event of actual disaster but also in training others."

NEXT IMMEDIATE STEP in the Red Cross program here, according to Eberhart, is a thorough canvass of the area, with the view of listing all resources that would be available for evacuees from other areas. Such items as bedding, cots and relief supplies will be checked in this survey, he said.

Eberhart estimated that an Orinda civilian defense council, to be made up of various local civil defense representatives, could "get rolling" next week.

Plans for such a local coordinating group have been discussed by the Orinda Association, and Director Stanley Allen of that organization recently stated that a formative meeting awaited only completion of local Red Cross plans.

The warden service, the sheriff's reserves, the Red Cross, the fire department, the medical profession and the utilities would be represented on the local council, according to present plans.

No Show Planned For This Week

There will be no Teatro Para Ninos movie at the Orinda School this Saturday because of the Rotary Club's Field Day. Shows will be resumed Saturday, May 19. Watch for this coming attraction at a later date.

Our New Phone—Orinda 2902

Starting Monday, the phone number of the Orinda SUN will be Orinda 2902.

This number will be on a direct line from the Orinda exchange into the printing plant in Lafayette, and will facilitate communication between Orindans and the paper.

For all purposes of phoning—news, display advertisements, classified ads, subscription notices or complaints—please dial the SUN at Orinda 2902, starting Monday.

This is another step in the progress of the Orinda SUN, and marks an added convenience for our readers.

Narrow Escape For Boy, 10, When Hit by Car

A 10-year-old Lafayette boy narrowly escaped serious injury and an Orinda doctor was slightly hurt in auto accidents in this area during the past several days, the California Highway Patrol reported.

The boy, Ronald Hoffman of 3624 Mt. Diablo Boulevard, a pedestrian, was hit by an east-bound car driven by Frances Campagnoli, 35, Martinez, late last Friday afternoon at Mt. Diablo Boulevard and Thomson Road, Lafayette.

According to the Highway Patrol, the boy required no medical aid. **DR. ROLLAND J. BROWN**, 48, of 26 Normandy Lane, Orinda, was slightly injured Tuesday morning in a three-car rear-end collision on Mt. Diablo Boulevard a short distance west of Orinda Crossroads.

All three cars were headed west. Dr. Brown's car had stopped, when it was hit in the rear by an auto driven by Frank R. Jones, 65, Martinez. The impact shoved Dr. Brown's car into another stopped car, in which Jack W. Smyth, 32, Walnut Creek, was at the wheel.

TWO OTHER RECENT accidents involved no injuries. They were:

A three-car rear-end collision late Monday afternoon on Mt. Diablo Boulevard, east of Pleasant Hill Road. Drivers, all east-bound, were Richard Wilshusen, 48, Walnut Creek; Edwin McGargary, 27, Walnut Creek, and Vernon Allen Lind, 38, Hayward.

A sideswipe head-on collision on Mt. Diablo Boulevard just west of Golden Gate Way, last Friday afternoon. Carl K. Martine, 69, Berkeley, was making a U-turn when his car was struck in the left front portion by one driven by George L. Rumford, Jr., 34, 1009 Walnut Drive, Lafayette. Rumford was traveling east.

Board Approves Sewer Building At Lake Cascade

A resolution ordering work to proceed on installation of sewers in Local Improvement District No. 23, behind Lake Cascade, was adopted by Central Contra Costa Sanitary District last week, overruling the protests of four property owners.

Bids for installation of sewers in this area will be opened by the District Board at the meeting to be held Thursday night at Walnut Creek.

A 90-day extension of contract was granted Contractor F. E. Martin who is installing sewers in L.I.D. 21, Glorietta area.

If residents wish, however, they may have the side sewers for house connections installed by their contractors, as the district has been "opened" to permit this work to proceed.

When completion of sewer work permits, the county plans to proceed with the improvement of Glorietta Boulevard.

E.B.M.U.D. Land In Fire District

East Bay Municipal Utility District property south and east of Mt. Diablo Boulevard was annexed to the Orinda County Fire Protection District Monday by the Board of Supervisors.

Extending from Davis Road almost to Charles Hill and down to Moraga Meadows, the property was recently withdrawn from the Eastern Contra Costa County Fire Protection District.

Nursery School's Big Spring Dance Tomorrow Night

Tomorrow night's the night for the annual Spring informal dance of the Orinda Nursery School. Diablo Country Club's the place, and you don't have to have a child in the Nursery School to attend!

Cocktails will be served from 7 to 8:30. Dinner replete with promised gustatory delights, will be served from 8:30 to 10.

Dancing will be to the music of Gordon Heche's orchestra.

In addition to providing good food and good fun, the evening will result in good funds for a good cause — helping finance the activities of the Orinda Nursery School, a cooperative venture of mothers and teachers. That being the case, where else could you get or give so much for \$5 a person?

Based on past Orinda Nursery School annual Spring dances, expectations are for a really "tops" affair, according to Mrs. E. J. Unruh, president of the Nursery School; Mrs. Thomas Cullen, vice-president, and Mrs. Lyle York, general chairman for the dance.

If you haven't already obtained your tickets, just keep your fingers crossed and, hoping it isn't too late, get in touch with any Nursery School mother or Mrs. Wallace Riddell, Orinda 2141, or Mrs. Kleyn-Schoorel, Orinda 5141.

Herman Silverman Leads Discussion on Makeup

Herman Silverman, editor and publisher of the SUN, led a discussion on "Makeup and Layout of a Weekly" last Friday morning at the High School Publications Convention at the University of California campus in Berkeley. Sponsored by Alpha Delta Sigma, national honorary advertising fraternity, the convention was held Thursday, Friday and Saturday of last week.

Hi-Lites on Hi-Life

NO OBJECTIONS were heard from the boys when it was announced Wednesday of last week that they (the boys) would have to leave school right after fifth period so that the girls could "entertain" their mothers at the Mothers' Tea.

Thursday of that same week the County Track Meet was scheduled. The school administration announced that school would be let out at 12:30 and that no one need bring their lunches.

This shows how much influence the California Chambers of Commerce really have. They even convinced our own school officials that there are only two kinds of weather here — perfect and unusual.

Being good Californians, they naturally thought it would be sunny and nice.

THE RESULTS ARE ALL tabulated for the "Top 10 Teachers Contest." Here are the winners.

Contest No. 1 — the man with the best sense of humor. Mr. Mattson and Mr. Weiss came in first out of a field of 12 (this was the only tie).

Contest No. 1 — the woman with the best sense of humor. Miss Fletcher won out over 10 other nominees.

Contest No. 2 — the man who makes his subject the most interesting. Mr. Brown won out over nine other nominees.

Contest No. 2 — the woman who makes her subject the most interesting. Mrs. Webb won this close one.

Contest No. 3 — the man who teaches his students the most. In another close one, Mr. Sanchez came out on top.

Contest No. 3 — the woman who teaches her students the most. Miss Ochoa won this one with a tremendous landslide. (Almost 200 votes more than her closest competition.)

Contest No. 4 — the man with the most patience. Mr. Winchester won this one away from 13 other nominees.

Contest No. 4 — the woman with the most patience. This one was won by Miss Nicholson.

Contest No. 5 — the best all-around teacher (man). Mr. Annis won this extremely close contest.

4 to be Present At Girls', Boys' State Next Month

Off to Sacramento at the close of the school year this June to attend Girls' and Boys' State will be four Acalanes students: Anne Seuler, Gary Coad, Art Siler and Howard Flanders.

Their Sacramento sojourn will be sponsored by the American Legion Auxiliaries of Lafayette and Walnut Creek.

Girls State and Boys' State each provide a week-long training program in citizenship and the responsibilities of democracy. Students become familiar with democratic processes by doing; at State they setup a functional government of their own to direct state activities while they ponder local and national problems.

Eligibility to Girls' and Boys' State is limited to juniors taking U. S. history who "consistently maintain high scholarship, display an interest in government and have fine moral character."

Students Quiz Doctors' Panel

Acalanes students interested in working for the professions yesterday heard a panel of local doctors discuss the attributes and pitfalls involved in the selection of their profession.

Students queried guests to get at the crux of the individual problems that are bothering them concerning their entry into medicine.

Today a panel of dentists will discuss the vocational potentialities of dentistry before a group of students who have expressed an interest in that field.

Doctors who spoke to students were Dr. Arlene Parker, Dr. Howard Flanders, Dr. Hendrik Blum of the County Health Office and Dr. Edward Radford.

Dentists on today's panel will include Dr. Peter Picard, Dr. Ben Dykes and Dr. De Meo.

The Happy Country Folk

By EDITH BOLMAN
AND ARE THE COUNTRY folk of Orinda and Lafayette happy this week!

We have been well represented all over the place—particularly at the Garden Show.

The Orinda Garden Club, Orchard Nursery, Lafayette Girl Scout Troop 30 and Trader Vic all received awards; which probably goes to prove something about country air in relation to gardening ability—we are not sure just what.

THE YOUNG, not to be outdone, displayed their ability—with the blade instead of the spade. The St. Moritz Ice Review of 1951 put on Alice in Wonderland at Iceland in Berkeley.

The local ballet babies were Deborah Smith, Freddie Lamb, Susan Kistner, Cynthia Rasmussen, Patsy Murphy, Judy Murphy and Virginia Gibbons.

The fashion-minded trundled off to the Berkeley campus for the recent Kappa Kappa Gamma Mothers Club Fashion Show luncheon and enjoyed watching the active members display the sporty spring clothes from Kirk's.

Mesdames Douglas Knight, Kent Weaver, Harry Jackson, Frank Dunn, Vad Jeltun, Stuart Tompkins, Robert Bolman and Thomas St. Hill were seen oh-ing and ah-ing over the models and being highly amused over the songs sung by the quartet dressed in regalia from the 1928 era.

Speaking of oh-ing and ah-ing, the Vad Jeltuns invited friends awhile back to one of the most oh-ish and ah-ish of parties, which they gave for their new neighbors, the Thomas McGuiness.

On the heels of the party they promptly left town for a week, we suppose, in order to avoid the constant jangling of the telephone by the contented guests who wished to comment on the gaiety.

IN THE "OH WE ARE so sorry" department:

Mr. and Mrs. Stuart Tompkins are moving away from Orinda. Our only consolation is that they haven't gone so far that they can't return for an occasional visit.

On Wednesday discriminating souls with a tendency to snap up bargains were invited to the Woodburn Lambs' home to attend an auction sale, the benefits to go to the Alta Bates Hospital.

Mrs. Stewart Kimball, Mrs. E. C. Gerow and Mrs. Edward Bradford were on the snapper committee to gather up things to be sold, and we saw Mrs. Lamb on Saturday afternoon working like mad doing something mysterious to the road leading to their house—creating a flowered dell as an entrancing entrance for the auction, we suspect.

And then—oh joy of joys, the surprise party. Saturday evening Judy Dunn innocently walked into her own front door (having been steered there by cooperative friends "in the know") and was greeted by "happy birthday" and "surprise" from a group of her chums who had gotten together unbeknownst to her to celebrate.

There were sandwiches, cakes, cokes, balloons, records, dancing and chaperones. What better ingredients could you have for a good thorough-going surprise party?

Well—the best ingredients were Julia Rae Littlejohn, Sue Fowler, Carolyn Demeter, Linda Pyle, Linda Baker, Lorrie Durante, Ralph Lock, Tom Klement, Bart Ferro, Paul Poston, Jim Wiggins and Pete Hegerbe.

And that, gentle readers, is the works for the week. We will be making important observations (no sloppy research for us) for another couple of weeks and be back again with more dope on the doings of the Happy Country Folk.

OK Given Glenside Dr. Side Yard Application

Favorable recommendation was given by the Planning Commission Tuesday night to a Glenside Drive side yard request from Richard F. and Audrey A. Larmstel.

The application is for a 10½-foot side yard on one side of property fronting 125 feet along the north side of Glenside Drive at the intersection with St. Mary's Road.

2 Orinda Homes Included on Tour

The Women's Architectural League of the Eastbay is having its annual homes tour on May 17, 10 a.m. to 4 p.m. Tickets can be purchased by calling Mrs. Edward Russ of Orinda.

Homes included on the tour are four Berkeley residences in the vicinity of the Claremont Hotel and two homes in Orinda overlooking the Country Club grounds.

The Edward McGah home at 336 El Camino Sobrante, designed by Wayne Littlejohn, Orinda architect, is situated on a picturesque knoll. This lovely spacious home is built around a patio and swimming pool and is included on the tour.

The other house in this area to be included is the home of Professor and Mrs. Eugen Neuhaus, 20 El Camino Sobrante. It is contemporary in character with natural wood on the interior as well as exterior. This interesting house was designed by Roger Lee, architect of Berkeley.

League members living in this area include Mrs. James Anderson, Mrs. Harold Hawes, Mrs. Wayne Littlejohn and Mrs. Edward Russ, all of Orinda.

Class 'Travels' To South America

South America headlined the discussion and film showing last night at the high school library in the seventh program in the Acalanes Adult School night meetings of the "Let's Travel" series moderated by Richard Nesbitt.

Carl Newberry spoke and showed slides on our southern neighbors.

Next week the "Let's Travel" series moves to the Mediterranean when John Flynn of Trans-World Airlines will talk next Thursday evening and show films on Spain, Portugal, Switzerland and Italy.

A capacity class of nearly 100 heard the program on Norway discussed at the "Let's Travel" class last week.

Separate Supervisor District for This Area? Airing of Topic Seems Imminent

By POLITICUS

Should this area have a supervisorial district all its own? That question has assumed renewed sharpness in recent weeks. In fact, indications are that what might be termed a "junior reapportionment" proposal is about to be aired.

Next step in general discussion of the problem will probably come up at the May 21 meeting of the Orinda Association's Civic Affairs Committee. However, while at the moment the most concentrated consideration of the subject is by Orinda groups, the topic is also one of concern for Lafayette and this entire area.

At last month's Civic Affairs meeting, Chairman Zach Montgomery indicated he would have something further to report on the matter at the May 21 session, after he had had an opportunity to confer with Mrs. Zella A. Moses, secretary of the Orinda Estates Owners Association.

THE ORINDA ESTATES OWNERS Association, in a letter signed by Mrs. Moses, approached the Orinda Association's Board of Directors last November with a request for cooperation in obtaining a separate supervisorial district for the Lafayette-Orinda-Moraga-Walnut Creek-Concord area.

The matter was recently referred by the Orinda Association board to the Civic Affairs Committee. Board Secretary Norman F. Coates sent the Orinda Estates letter to Civic Affairs.

In his explanatory letter of referral to Joseph E. Downs, Civic Affairs secretary, Coates reported that the County Board of Supervisors has authority to set up new supervisorial districts or to change the boundaries of existing ones.

Coates' letter, dated March 20, and that of Orinda Estates were both read at the April meeting of the Civic Affairs Committee. Text of Coates' letter follows:

"ATTACHED HERewith is a letter from the Orinda Estates Owners Association, Inc., in which they contend that an exclusive supervisorial district should be established in their particular area.

"The past secretary of the Orinda Association, Mrs. Roberta Spiegel, has called our attention to the section of the Political Code governing the establishment of these districts. We quote as follows:

"Section 4041.10 of the Political Code providing that it is the authority of the supervisors to set up the supervisorial districts, change the same and create others, etc."

"Section 4029 of the Political Code provides Board of Supervisors may by two-thirds vote of the

members change the boundaries of any or all of the supervisor districts."

"THE BOUNDARIES OF NO supervisorial district shall at any time be changed as to effect the term of office of any supervisor who has been elected and whose term of office has not expired. No changes of the boundaries of any supervisorial district shall be made within 90 days next preceding an election."

"At the meeting of the Orinda Association February 26, it was decided that the above-mentioned matter should be turned over to the Civic Affairs Committee for your consideration."

The Orinda Estates letter of November 27, 1950, to the Orinda Association board stated:

"At the monthly meeting Tuesday evening, November 21, 1950, of the Orinda Estates Owners Association, Inc., it was moved and seconded that we take up with your association the matter of having a supervisorial district exclusive for this area.

"IT IS OUR CONTENTION, owing to tremendous increases in the population of Walnut Creek, Concord, Lafayette, Moraga and Orinda, that a supervisorial district confined to the above-mentioned area only would best serve the district and the people therein.

"Anything your association can do to further this contention of our association will be appreciated. We would also welcome your ideas covering same."

Christian Mother Sermon Subject

"Who deserves to be called a Christian mother?" asks Pastor Luther Berven of Our Savior's Lutheran Church in Lafayette.

"Is a Christian mother one who sees to it that her child is well taken care of physically or does being a Christian mother involve more than this?"

On Sunday, May 13, Pastor Berven will speak on the sermon topic, "True Love," using as his text Jesus' words to His disciples in John 14: 15 — "If you love me, you will keep my commandments." Identical services will be held at 8:00 a.m. and 10:45 a.m. with this exception that the Senior Choir will sing only at the later service. Sunday School meets at 9:30 a.m.

The Senior Luther League meets Sunday evening, May 13, at 7:30 p.m. The Brotherhood meets on Tuesday evening, May 15, at 8:00 p.m.

The first district convention of the newly formed California district of the Evangelical Lutheran Church will be held in Trinity Lutheran Church in Oakland Wednesday through Friday, California was formerly part of the Pacific District, but it is now a separate district by itself. Ralph Saxton and Dr. E. Ralph Ligon are the delegates from Our Savior's Lutheran Church to this convention.

Red Cross Swim Sessions Listed

Summer swim sessions are announced by the Mt. Diablo Chapter of the Red Cross.

All school children or other people within their school districts will attend at designated times only for the swim sessions. The only exception will be that for Junior and Senior Life Savers, where each class is open for Life Savers from any district within the chapter boundaries.

The following dates have been set for sessions at the Acalanes High School pool:

Lafayette, Montecito and Vallejo Schools, June 19 through 30.

Walnut Creek, Park Meade and Buena Vista School, July 9 through 21.

Pleasant Hill, Diablo Vista, Orinda and Glorieta Schools, July 24 through August 4.

All schools within Mt. Diablo chapter area: August 7 through 18.

Schedule for Acalanes pool: 8:30 to 10:30, Life Savers.

10 to 11, Intermediates, boys and girls.

10:30 to 11, Beginners, boys and girls.

11 to 11:30, Non-swimmers, boys.

11:30 to 12, Non-swimmers, girls.

11 to 12, Swimmers, boys and girls.

Acalanes Spring Festival Show Night of May 18

The Acalanes Modern Dance Group, the school's Mixed Chorus and Girls' Chorus, will present the annual Acalanes Spring Festival show next Friday, May 18, 8:15 p.m., in the Don gym.

Members of the Modern Dance Group are rehearsing "Jeanne d'Arc." The entire production is under student management with assistance from Miss Millicent Ham-burger, modern dance adviser; Bruce Handley, Mixed Chorus director, and Oscar Busch, Girls' Chorus instructor.

Girls in the modern dance group are doing their own choreography, designing their own costumes and directing their own production. Fourteen of the girls in the group are seniors. This will be their last public performance at modern dance in high school.

Need Canteen Workers

All the women in the area who have worked previously in canteen service for the Red Cross are urged to register with the Mt. Diablo Chapter in preparation for a future canteen program.

OVER-INFLATION

Excessive over-inflation causes tires to wear rapidly at the center of the tread, says the California State Automobile Association. Over-inflated tires bruise easily and also contribute to hard riding and less effective brake action.

1,000 Applaud At Mother's Tea

A thousand persons, Acalanes mothers and their daughters, applauded the fashion creations of Acalanes home economics students last week at a "Mother's Tea" sponsored by the girl students of the high school.

Eighty-six student models displayed their own sewing handicraft in a decorative setting of Geary and Powell Streets, San Francisco, Union Square and I. Magnin's to fit the theme of the tea, "Union Square," the hub of the San Francisco fashion district.

Chris Inman-Kane was presented a Good Citizenship Award by the Daughters of the American Revolution during the program, for demonstrating during her four years at Acalanes qualities of dependability, leadership, service and patriotism. Presentation was made by Miss Lily Lahti, Acalanes dean of girls.

The school's modern dancers and the Girls' Chorus performed. Teachers advising the affair were Miss Lahti, Miss Anderson, Miss Richardson, Miss Frazier, Miss Peterson and Miss Hamburger.

FASHION SHOW

If more resident St. Mary's College students remain on the campus this weekend than normally, there is a good reason: the annual Tea and Fashion Show of the St. Mary's Guild on Saturday.

LAFAYETTE

Let's Sing—'We've Got a Lot in Orinda,' Here Are All the Words

You're probably still humming the catchy tune, "We've Got a Lot in Orinda," which was such a hit at the recent "Absurdia in Suburbia II" put on by the Orinda Mothers Club at Acalanes High School auditorium.

Music is by Fred Udall, and lyrics by Jackie Lee and Jean Henderson. Here are the words, as Jean Henderson presented them in the extravaganza:

We moved to the country-side, Where the land is peaceful and spacious;

Where the birds and the bees, the flowers and trees

All grow, and living is gracious; We came out to relax,

To feel vibrant and alive — It seems only day before yesterday, Now this is the youngest of five.

We've got a lot in Orinda, We've got a lot, it's true —

We've got plans and schemes, We've got hopes and dreams,

We've got a lot, haven't you? There's lots of sun in Orinda

There's lots of fun there too — Let's all get behind it,

Orinda's where you'll find it, We've got a lot, haven't you?

So we planned our little garden, We'd read about every trick in it;

About the green thumb and the good earth, And discovered you can't sink a

pick in it. Of course we had to have a second

car — (Civilization sometimes attracts us) But the view is superb, and the

hills are so high — So are sewer assessments and taxes.

We've got a lot in Orinda, (etc.) But Time was ours, to make worth-while,

With books, world affairs, the United Nations —

The phone's ringing, yammering, clamoring,

"Help run our organizations!" "We're building," "some rummage,"

"a cake sale," "All we need is a small donation!"

"We're meeting," "a civic commit-tee,"

We're erecting a Greyhound bus station!"

We've got a lot in Orinda, (etc.) Still, we wear what we like, we do

as we please, The living's so casual and free;

And if, when it rains, we feel our-selves slide,

We can always latch on to a tree. Of course, the roads may break an

axle, Leave your hair permanently

curled — But I'm here to state we wouldn't

trade it, Trade it for the world. We've got a lot in Orinda, (etc.)

Report From Sacramento

With Only Six Weeks left to Session, State Legislature Speeds Up Activity

By ASSEMBLYMAN ROBERT L. CONDON
THERE ARE BUT SIX MORE weeks to go in the Sacramento Merry-Go-Round.

Under the Constitution, the Legislature must adjourn by June 23. As a result, the intensity of the session has been speeded up, and important developments have taken place in the fields of social welfare, education and public works.

SOCIAL WELFARE. The major social legislation of the session is a measure to institute a program of public assistance to the totally disabled. The federal government has appropriated matching funds for all money made available by the state to help these unfortunate.

Somewhat to the surprise of the experts, the Assembly Governmental Efficiency Committee, considered ultra-conservative, approved the program with but two dissenting votes. This probably means the bill will be passed.

Estimates of annual cost range from \$7,000,000 by the Department of Social Welfare to \$60,000,000 by the legislative auditor.

Another major bill was approved by a Senate committee. This measure would establish a rehabilitation center near Los Angeles for the physically handicapped.

Authorized by the late Senator Chris Jespersen, it would be a fitting memorial for an extremely able legislator whose recent death was a shock to all who knew him.

EDUCATION. A.B. 1985, to appropriate an additional \$50,000,000 of state funds for school purposes, was debated by the Ways and Means Committee of the Assembly last week.

No action was taken, since the committee decided that it wanted to hear more testimony.

Meanwhile, Assembly committees approved my bill liberalizing the teachers' retirement system and Senator Tenney's measure to forbid teaching of communism in schools, with intent to indoctrinate or inculcate belief in the minds of pupils.

The latter measure was opposed by Doctor Herbert Clish, San Francisco school superintendent, on the grounds that it was unnecessary and that it was so vague as to be unen-

forceable.

PUBLIC WORKS. Several bills have been introduced and are now ready for action, setting up water conservation and power districts. Some of them are being opposed on the grounds that they tend to undercut the Central Valley Project.

MISCELLANY. The governor held a hearing, attended by many Contra Costans, on whether he should veto the bill banning commercial fishing upstream from Pittsburg. Most observers predicted that he will sign the measure.

If the Senate concurs, which is debatable, draw poker will be outlawed in California. An Assembly bill to kill the game passed 60 to 9. It is a felony to turn in a false alarm if any fireman is injured in responding. The governor signed a measure establishing this new crime.

The anti-coercion bill, preventing lending associations from specifying the seller of the insurance that the buyer must have, also became law. This measure was sponsored two years ago by Senator Miller and me and was defeated then by a narrow vote.

Junior College Explains Program to Seniors

Contra Costa Junior College representatives visited Acalanes seniors recently to inform them of the expanding campus facilities offered next fall at J.C.

Pat Herrick, Acalanes graduate and now a student at J.C., told seniors about Junior College program from the viewpoint of the college student.

College officials also showed seniors the map of the East Campus layout next year. After the general meeting with the Don senior class 30 students stayed for individual discussion of their programs with J.C. representatives to secure pre-registration forms.

The meeting with J.C. officials is one of the services provided and sponsored through the year for graduating students. Last week Acalanes students visited the Cal campus as guests of the Cal student body.

Local Projects Included in Barkley's List of Most Needed Road Improvement

Fifteen "most needed" Contra Costa road improvements have been listed by County Surveyor Joseph Barkley in a report to the Board of Supervisors.

Outlining of the projects covering a total length of 60.69 miles and a cost of \$4,970,000 was preliminary to filing a Contra Costa application with the federal government for road improvement planning funds.

DEPENDS ON BOND ISSUE

Chairman Jack Cummings said financing is contingent upon a bond issue.

Ranking first on the list is improvement of San Pablo Dam Road from Miner Road north to San Pablo, a distance of 6.2 miles. Cost is estimated at \$800,000.

The second project, estimated cost \$900,000, would be a virtually new roadway just east of Lafayette, from Rick's Corner, to the Arnold Industrial Highway, a distance of 10.4 miles.

Orinda-Moraga Highway from Glorietta to Orinda at a cost of \$155,000, 3.1 miles, is also on the list.

REVERSE DECISION ON COURT PLAN

Reversing their decision of last week, the supervisors on Monday recommended against creation of a municipal court consisting of the Martinez and Concord townships.

The action was taken when board members learned the court could not be established until January, 1952, after an election in November, 1952.

Assistant District Attorney Wakefield Taylor reported that four persons would be eligible for appointment to the two departments — Justice of the Peace Thomas P. Meehan Jr. Martinez, Justice of the Peace John Garaventa of Concord, City Judge Louis McKenny of Concord and Justice of the Peace Clifford Thomson of Walnut Creek.

Thomson would be eligible because it would be necessary to include a small portion of the Walnut Creek township in the proposed new municipal district to bring the population total to 40,000.

Cap Sandford Sez:

THIS IS MOSTLY ABOUT international matters because I feel that the predicament into which this nation has allowed itself to be jockeyed is fraught with appalling and catastrophic possibilities at this time.

In giving, as we have, of our vast wealth to nations in bad circumstances because of their sacrifice in World War II, we undoubtedly were able to do a great deal of good, but there should and must be an end to such international munificence by us.

It appears that we are being played as international suckers by some of these nations which are utilizing our prodigal benevolence to deliver for profit war materials which are helping to destroy our own fine men.

Now let us look at it this way. There are certain things which cannot be bought with money, such as love, respect, admiration, loyalty, Christianity and truth. So, as I said, this dishing out of dough has got to stop now.

WITH REGARD TO ATOMIC BOMBING and when and if atomic bombs should be used, it seems to me that the authorization to drop atomic bombs on Nagasaki and Hiroshima was given freely and perhaps with too little thought, because we were heavily involved at that time.

The suffering, hardships and appalling distress visited upon hundreds and thousands of people is something I would not like to have on my conscience, and yet the effect was magical and instantaneous, and brought peace.

So now we are chesting ourselves and beating our breasts and talking about what we might do, and perhaps could do, and perhaps will do; but successful wars are neither fought nor won that way.

On the other hand, the winner (if there is any winner) takes everything he has, and tosses it at the enemy.

I personally believe that peace, a permanent peace, can be attained by a proper, honest and sincere approach. If another war is allowed to develop it will bring nothing but misery and grief, degradation and chaos and despair, not only to us but probably to all the nations involved.

Aged Aid Cases Low in County

Although Contra Costa is the fifth largest county in the state, a recent report to the Board of Supervisors revealed it ranks 10th both in number of old age security cases and the amount expended in this category.

This county, with its 297,400 population, has only 3,070 old age security cases, according to Director William G. Holden of the county social service department. San Bernardino has 8,935; Sacramento, 6,832; Fresno, 6,653; Santa Clara, 6,143 and San Mateo, 3,074, and all

have a smaller population. The recipients per 1,000 population for Contra Costa was computed at 10.32 per cent, with the next lowest percentage figure in the counties mentioned the 13.14 per 1,000 population in San Mateo.

Contra Costa made expenditures of \$202,367 for old age security cases, its total expenditure for public assistance, \$496,283, ranking it ninth among California counties.

Harry Freeman New Therapist at Mt. Diablo Child Therapy Center

Directors of the Mt. Diablo Child Therapy Center announce the appointment of a new physical therapist, Harry Freeman, M.C.S.P.

The medical advisory board was unanimous in its opinion that Freeman's background makes him the ideal person for this position.

He received his degree in physical therapy at the Field and Morris School of Physical Therapy in England. He did his training at the London Homeopathic Hospital and at the Prince of Wales Hospital.

Since coming to this country he has been associated with the Presbyterian Hospital at Columbia University and with the Kabat-Kaiser Institute at Vallejo.

THE IDEA OF BEING part of a community project such as the Therapy Center in Walnut Creek particularly appeals to Freeman. As soon as he has found a home in this vicinity, he will send for his wife and four-year-old son, who are still in England.

A medical advisory board, composed of well known local doctors,

has been appointed by the Contra Costa Medical Association to see that adequate medical standards are maintained in the professional work at the center.

These doctors are Dr. Rolfe Salin, Walnut Creek; Dr. Joseph Vizard, Lafayette; Dr. Lee H. Lorenzen, Concord; Dr. Saul S. Steinberg, Pittsburg, and Dr. William B. Sheppard, Orinda.

THE THERAPY CENTER is now an important part of community life in the Diablo area. It is recognized as such by the National Foundation for Infantile Paralysis, State Crippled Children's Services, Crippled Children's Society of Contra Costa County, Bureau of Vocational Rehabilitation and the Diablo and Martinez Chapters of American Red Cross.

These two chapters furnish transportation for some patients. The Concord Hospital Auxiliary group furnishes transportation one day a week. Besides these groups, many individuals also transport patients and work at the center in a variety of positions.

'Martinez 3000' County Number

"Martinez 3000" is the new official telephone number for Contra Costa County's new private branch exchange in Martinez, R. A. Horst, Martinez manager for Pacific Telephone announced today.

The new 3-position multiple manual switchboard is initially equipped to handle 90 locals and has capacity for considerable future expansion, Horst reported.

He said that replacement of the former 2-position switchboard, which went into service only 18 months ago, became necessary due to the great increase in the volume of calls to Contra Costa County offices, now averaging 2,500 per day.

Horst urged telephone users here to revise their personal lists to include the new Contra Costa County telephone number in order to avoid delays in completing their calls.

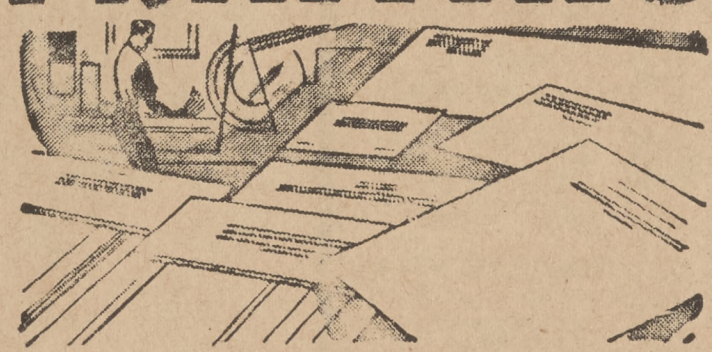

The new switchboard was installed under the supervision of Pacific Telephone installation foreman F. S. Rumbaugh, Martinez, assisted by J. H. Sowers of Martinez, and M. V. Jensen of Walnut Creek.

Tests Scheduled At St. Mary's on Draft Deferment

St. Mary's College has been listed by Selective Service as one of the 1,000 schools and colleges at which students may take tests to make them eligible for draft deferment.

The examination will be given May 26, June 16 and June 30. It is for draft registrants who have already begun college study and plan to continue.

The Selective Service announcement did not give a "passing" grade. Designed to determine the applicant's learning ability rather than his stock of knowledge, the exam is the "intelligence quotient" type.

The announcement asked all draft registered college students wishing to take the test to get an application card from their local draft board, fill it out and mail it immediately to the Educational Testing Service, Princeton, N.J. The testing service is administering the examinations and will assign students a testing place.

It has been pointed out that high school seniors will not be able to take the student deferment test this year. It is open only to draft registrants under 26 who have begun and plan to continue in college or a university.

Freshmen, sophomores and juniors are deferred for another year if they score 70 on the test. Seniors planning graduate work are deferred if they score 75.

Even if they don't make these scores, freshmen in the upper half, sophomores in the upper two-thirds and juniors in the upper three-fourths of their classes will be deferred for another year, according to Army officials. Seniors planning graduate work will also be deferred this additional time if they're in the upper half of their classes.

CONFERENCE

California Conference of Social Work will hold its 40th annual conference June 3 to 6 in San Jose, it is announced by Dr. Donald S. Howard, president.

OFFICE WORKERS

High school seniors scheduled for June graduation can find careers in government despite their lack of work experience, according to Harry T. Kranz, Director of the 12th Civil Service Region.

What's in a Name? Plenty, Say Smiths

If the Orinda Oaks postman is looking a trifle dazed these days, you can blame it on the Smiths.

In a one-block area bounded by Stanton Avenue and Claremont Drive live three — count 'em — three families bearing that same common name, a situation that might conceivably exist in a Ripley column, but shouldn't in one small residential section if postoffice workers are to retain their sanity.

To further complicate the already complex situation, the

Smiths at 66 and 70 Stanton Avenue are not only next-door neighbors, but have identical initials, C. L. (hear that postman groan?); third piece in the puzzle is the H. F. Smith family which lives on the corner of Stanton and Claremont Drive, a mere postcard-throw from their namesake neighbors.

None of the Smiths are related, or even well-acquainted as yet, but it is assumed that friendship will flourish rapidly during "sorting parties" to be held daily at the nearest Smith mailbox. —

School Enrollment Up 3.4 Per Cent

Although a majority of high schools in Contra Costa County show a drop in enrollment since last fall — apparently because of the draft and enlistments — gains in other schools were sufficient to offset the loss and register an increase of 3.4 per cent.

Contra Costa now has 63,642 students in all grades from kindergarten through junior college, a report by County Superintendent B. O. Wilson's office disclosed today.

THIS FIGURE COMPARES with 61,571 in October and with 55,878 in March of 1950. The gain in the last year was 13.9 per cent, in contrast to an increase of but 6.2 per cent for the same period in 1949-50.

Elementary school enrollment increased from 42,682 to 44,058, or 3.2 per cent between October and

March. In the same period the total enrollment in junior high schools and high schools increased by only 89 students.

ALL HIGH SCHOOLS in Contra Costa experienced a decrease except Mt. Diablo, Richmond and San Ramon Valley.

Junior college enrollment, however, has been on the rise, having come up from 569 in the spring of 1950 to 2184 last fall and 2790 in March of this year, or an increase in the past year of 18.5 per cent.

"It's great to have a home laundry...
especially with P. G. and E. rates lower today than in 1940"

Blessings on my modern washer!
Does our laundry spic and span,
And for pennies gets the work done
Four times faster than I can!

We've decided on a laundry.
Dealer helped us lay our plan.
Had our washer, got a dryer,
Now we'll add things as we can.

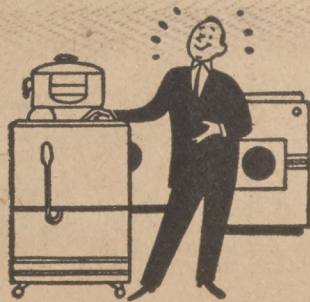

Someday I will have an ironer!
Thrifty thought . . . for we have found
As our household use increases,
Rates already low . . . GO DOWN!

You folks here in Northern and Central California will be glad to know that a home laundry, complete with washer, dryer and ironer, not only saves hours of hard work but in the average home, costs less than 85¢ a month to operate. Your dealer will be glad to show you how easy it is to have these appliances in your home. See him today if possible.

Winning Students In Poppy Poster Contest Listed

Entrees in the Poppy Poster contest, conducted here the past few weeks by American Legion Auxiliary 517, were rated by the judging committee this week. Mrs. M. H. Stanley, chairman, has announced.

Winning posters were submitted by Frederick Henry Sonntag, a Lafayette Grammar School fourth grade pupil, to take first prize, and Dennis Brady, a fifth grader of Montecito School, in second place, among the youngest class.

Best poster in the second division was entered by Pat Nunley, Lafayette, with second place going to Bonnie Trakowski, Orinda. Both are Acalanes ninth grade students.

In the senior section of the contest, Ann Pendleton, Lafayette, and Janet Bailey, Walnut Creek, both students at Acalanes High School, took first and second prize, respectively.

Posters placing first in each division of the local competition will be entered for district judging, Mrs. Stanley said, and remaining entrees displayed in Lafayette stores for Poppy Day observance, scheduled for May 26.

Judges for the contest were Mesdames Fred Gates, Tom Wilson and Anita Lyser.

TWIN GOATS EXPECTED

"Billie," the nanny goat at Children's Fairyland, is expecting a blessed event this week. "Doc Stork" has advised the Park Department that Billie is expecting twins, and that they are due tomorrow.

Chit and Chat about Don and Donna

By MARY THIES

After digging myself out of the mud, and recovering from the sudden so called "heavy fog," I've decided that Spring is really a lovely time of the year!

One of the recent events at Acalanes was the county track meet. After being called off once on account of bad weather, the meet was held last Monday instead of the preceding Thursday. A few junior girls who sold refreshments or did K.P. duty, were Carol Jean Earle, Jayne Kirk, Sally Fleager, Eleanor Neldham, Toni West and Carolyn Ward.

HEY BOYS — having troubles with your girl friend? Well—take her to see "The Thing." From all reports this show will have her hanging on your neck!

It looks like a few of our Orinda girls aren't satisfied with their home town. Gail Smith and Betsy Selby have recently made a trip to New York for a few days.

The Girls' League at Acalanes gave its annual Mother's and Daughters' tea last week. Many Orinda girls took part in planning and presenting the program. A few of the many were Lois Galbraith, Dodie Bee, Janet Chantler, Peggy Everest, Joan Hughett, Diane Baumgarner, Robin Hooper, Mary Ann Lucas and Janet Morris.

IF YOU HAVEN'T already noticed, Orinda people are always getting in the news. Art Siler seems to have his share of honors. First the Lions Club speech contest and now the Boys' State. He is one of the four representatives from Acalanes who will go to Sacramento at the end of this school year.

Many people from Acalanes have recently become engaged and some are married. One such couple is Phyllis Arnold and Dave Finzel—both from Orinda. Congratulations kids.

"So Long"—until next week that is. In the meantime—don't forget May 18.

Men to Plant, Paint Church

Hampered by April rains, men of the Orinda Community Church have been unable to follow up their first Saturday work-day of planting and painting, but prospects for a pleasant climate are high for tomorrow.

Bill Mott, grounds chairman, announced that trees and shrubs have been ready for actual planting this week.

As many as two dozen men and women have participated in the previous projects, and for those who prefer it, there will be painting operations on the church hall. The workers will bring their own lunch, while coffee is furnished by the church.

In view of the large use being made of church facilities by community groups, the work is not confined to actual church attenders, but is being supported by members of several cooperating organizations. It will be a community asset to have a good start made on grounds beautification this Spring, Mott advises.

Lyon Represents U.S. Movers at Paris Conference

Harvey B. Lyon, of Lafayette, president of Lyon Storage and Moving Company, Oakland, has been chosen to represent the U. S. household goods moving and storage industry at an International Congress of Furniture Warehousemen being held in Paris, France.

Lyon will attend the conference as the official representative of the National Furniture Warehousemen's Association, of which he is president.

WHILE IN EUROPE, Lyon will meet with furniture movers from most countries outside of the iron curtain. He will personally visit warehousemen in England, France, Holland, Belgium, Switzerland and Italy.

Movement of household goods belonging to American soldiers and government employees is one of the things to be discussed at the conference.

LYON WILL ALSO enter into important discussions with European warehousemen and shipping interests on port facilities in the United States.

In England Lyon and his wife, Eleanor, will be guests of honor at the British Association of International Furniture Removers in Cheltenham on May 21-23.

While in France Mr. and Mrs. Lyon will visit the U. S. Military Cemetery, where their youngest son, Bruce, a bomber pilot during World War II, is buried.

Ned Davis Now In State Finals Of Lion Speakers

Ned Davis, winner of zone and regional competition in the Lions Club student speaker contest, is vying with speakers from other sections of California in the state finals during the Lions' current convention at Hoberg's, Lake County May 10, 11 and 12.

Culmination of the contest will be finals at the California-Nevada convention to be held in Stockton in June. The convention at Hoberg's opened yesterday and continues through tomorrow.

Ned, son of Mr. and Mrs. Newton Davis and representative of Lafayette Lions, will be in line for the \$1,000 scholarship to an accredited college which will be the finalist award in June.

Dr. Schilling Will Conduct Services

St. Stephen's congregation welcomed Dr. Frederick A. Schilling back to Orinda last Sunday. His friends will be glad to learn of his recovery from a recent illness. Robert de Graaf preached the morning sermon.

Dr. Schilling will conduct two services next Sunday, 8:30 plain communion; 11 o'clock Festival morning prayer with sermon.

The Woman's Auxiliary met on Thursday at the home of Mrs. Seaver Ballard. A heavy schedule of business including appointment of delegates to the Diocesan Women's Work Shop to be held at St. Alban's in Albany, Wednesday, was followed by a delicious luncheon.

Tell Us News of Service People

News about our boys — and girls — in the service of our country is something the entire community wants to read. It's news of importance and interest, not only to the serviceman's family but also to the rest of the people here.

The SUN publishes whatever it can of such news. So you'd be doing the paper and the community a service by letting us know of local people in the service — when they enter, when they're transferred to a new spot, what they say in their letters home.

Needless to say, rules of military security will be scrupulously observed.

Thanks.

Uniforms from Lafayette Given To Boy Scouts of Philippines

The two large cartons of Boy Scout uniforms which were collected locally during the early months of this year by the scouts of Troop 204 were delivered to the Boy Scouts of the Philippines at a special ceremony in Manila by the scoutmaster of Troop 204, Captain Seth Blakeman, during his recent flight to the Orient.

A contingent of scouts from troops in Manila and a large representation of scout officials were present in the Philippine capital when Captain Blakeman presented the collection of uniforms to the Filipino Boy Scouts.

Venancio Trinidad, assistant director of public schools of Manila

and a Boy Scout executive board member, officially received the donation from the Lafayette Boy Scouts.

Scout and cub uniforms, outgrown by the local scouts, were donated by them and by other friends of scouting here. The garments were conditioned and packed by the local troop under the direction of Star Scout George Reichert, and carried to the Philippine Islands in a plane piloted by the local scoutmaster, who is a master pilot for Pan American Airways. Captain Blakeman is well-known in scouting circles in Manila, as he has visited there on many of his trips.

News articles and pictures telling the story of the gift of uniforms from the Lafayette Scouts appeared in all the Manila newspapers.

The scouts of Troop 204 will continue to collect the outgrown uniforms, and as they acquire a large number the uniforms will be shipped to the Philippines for distribution among scouts in the islands.

Dr. Nels Nelson To Be Guest Sunday Evening

Dr. Nels Nelson of Oakland will be the guest speaker Sunday evening at 7 p.m. at the Mission Covenant Church.

Other services for the day will be the Sunday School at 10 a.m. when a special Mother's Day program will be presented. Rev. Carl Bolin will deliver the message at the 11 a.m. service and the choir under the direction of Ernest Friberg will sing.

The Young People's group will meet as usual at 6 p.m.

Extensive preparations are under way for the arrival of the new pastor. The apartment in the church has been redecorated and improved and the work on the landscaping has progressed nicely due to the hard work of some of the men of the church.

Rev. Joel Peterson who is at present the president of the Covenant Bible School in Prince Albert, Canada, will assume duties as pastor of the Lafayette church some time in June.

Heidi Elects New Officers, Headed By Mrs. Cappell

Heidi Chapter of Children's Home Society had its regular meeting Tuesday. The important business of the day was the election of officers for the coming year.

These officers will take office at the June meeting, which will be the last meeting until September.

Those elected were: President, Mrs. Earl Cappell; vice-president, Mrs. Gilbert Myers; treasurer, Mrs. Neill Cornwell; recording secretary, Mrs. Garfield Soffee, corresponding secretary, Mrs. Howard Sanders; publicity chairman, Mrs. William Siebert; membership chairman, Mrs. John Hermann; parliamentarian, Mrs. Alfred Phelps.

Mrs. Arthur Stiefvater retiring president, automatically becomes a member of the board.

Mother's Day Is Theme of Sermon

"Every place one goes one hears that the future of the world depends upon the homes of today," Bishop George A. Miller and Rev. Harry E. Shaner of Lafayette Community Methodist Church declare. "It is in the home that the child learns his religion, his way of life. The future truly is in the hands of the family groups."

"This Sunday, when we celebrate Mother's Day, we remember the love and nurture we have all been given. This day, set aside to honor mother, can be a day of celebration for the entire family; there is no one member of the family left out in this celebration, for it is only in relation to the entire family that we can ever pay a little special respect to mothers."

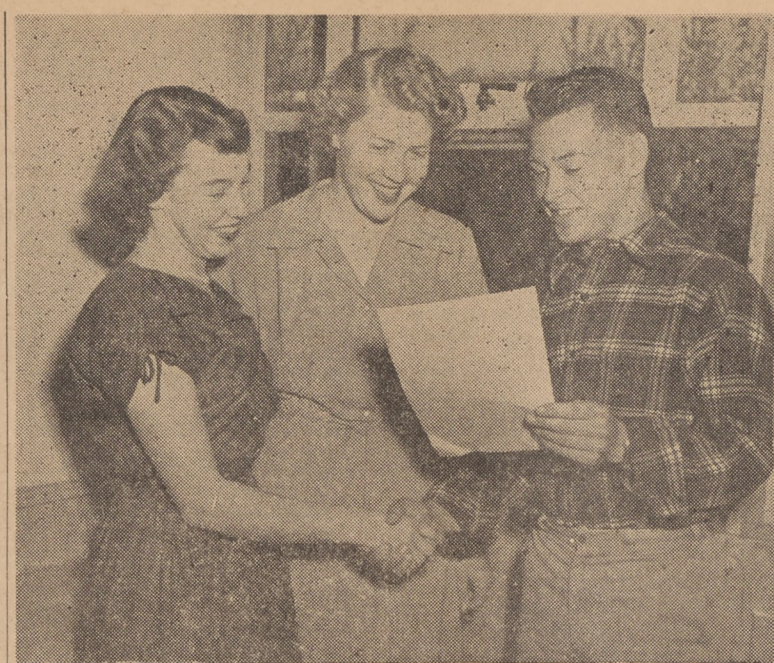

The sermon Sunday will be "Mothers' Day, 1951 Model." Church school is at 9:45, morning worship is at 11 and Methodist Youth Fellowship meets at 6:45.

Library Aide Needed in Lafayette; File Today!

Today is the deadline for filing for an examination for library aide at the Lafayette Library, the County Civil Service Commission points out.

Applications should be brought to the commission office at the Hall of Records, Martinez, before 5 p.m., or if mailed to the commission at P.O. Box 710, Martinez, must be postmarked any time today.

The job is for 10 hours a week, at a monthly salary of \$46.75. Qualifications are 10th grade education, ability to type 25 words a minute and county residence for the past year.

JANET CHANTLER (left) of Orinda, Acalanes High School senior, won the Achievement Award in the liberal arts field in the zonal high school contest at Berkeley last Friday. Prior to the competition she received congratulations from Katherine Lyser and Joey Pearson, two other Acalanes winners of gold cups in the preliminaries. On May 23 Janet will represent Acalanes at the San Francisco Selection Event. The contest is sponsored by the Bank of America. —Acalanes Blueprint photo

Fathers, Sons, to See Oaks Film

The annual Fathers and Sons banquet will take the place of the usual session of Orinda Cub Pack 52 tonight at 6:30. Program for this event which is a highlight of the pack schedule each year, will be a showing of an Oaks film on baseball, according to Bob Anthonisen, publicity chairman.

Orinda Cub Pack 52 has chalked up two more victories in its Diablo Area Cub Scout Pack Baseball League games. Last Saturday, the local team downed the Ygnacio Pack 46 team with a close 3-2 score.

Monday evening, a make-up game with Danville Pack 36, postponed previously because of inclement weather, found the Orinda nine scoring 19 to 4 against their opponents.

There will be no league game at Orinda School tomorrow because of the Rotary Club-Orinda School District sponsored Field Day to be given there, Anthonisen said.

Students to Attend State Convention

At this year's Boys' and Girls' State Convention in Sacramento, there will be four representatives from Acalanes.

Ann Seilberger, Gary Coad, Art Siler, and Howard Flanders will travel to Sacramento for the week long program of citizenship training. They will have a chance to take part in the democratic system of government in order to learn the responsibilities of the American citizen.

Denmark Subject Of Sunday Talk For Men's Club

Main speaker at a potluck dinner meeting of the Lafayette Community Church Men's Club next Tuesday evening will be Lawrence Nelson of Legion Court.

Since coming to America in 1894, Nelson has made a number of visits to his native Denmark. His talk will feature his last trip to Denmark and give highlights on the Danish people. He will tell of his visit to the former home of Peter Lassen, where he seeded several of California's famed giant Sequoia Redwood trees in Lassen's honor.

It was Peter Lassen who brought the first Masonic charter to California in 1848. Lassen County is named in his honor.

Tuesday's meeting will be held at 6:30 p.m. in the Lafayette Community Church.

'Union Square' Is Tea Theme

"Union Square" in the spring time. This was the theme of the annual Mothers and Daughters Tea held at Acalanes on May 2.

Miss Lahti, advisor to the Girls' League, presented Chris Inman-Kane with the good citizenship award. This is awarded every year to a Senior girl.

I'm Frank ...

... and this week I'm glad I'm Frank, because I'm Mrs. Olsen's only boy.

A number of years ago the Florists' Association dreamed up the Mother's Day idea, and a wonderful idea it was. However, the fast-stepping candy, appliance and department store boys stole the show, and millions of dollars have been spent in the promotion of this day.

Now most people think they have to run out on the second Sunday of May and buy "something special" for Mother, and then forget all about it until next year.

How wrong can a person be! Why, there is no gift that could be appreciated more and remembered longer than the gift of beautiful thoughts and kind attention on this day.

ORINDA HARDWARE has hardware and housewares to sell — useful gadgets for around the home — but it never has and never will advertise gifts for Mother on Mother's Day. Mother doesn't want a new Mixmaster or new toaster any more than she might want a new axe or shovel or wheelbarrow on Mother's

Day. What she wants is affection and to know that those around her love her.

Be sure to bring her some flowers, even if it's a single rose or a basket of them. I'm old-fashioned, I guess, but I've always liked the idea of wearing a carnation on Mother's Day.

In fact, I'd like to wear a carnation for your mother, too, but the only way I could possibly do that, I guess, is to give you one to wear for me. So, if you happen to be near our store on Saturday or Sunday, May 12 or 13, be sure to drop in for a carnation for your mother, from me.

THE SECOND SUNDAY of May is not the only day that we let Mom know we think of her. Every day is Mother's Day and should be. The second Sunday of May should be a legal holiday, because on that day we honor the only person in the world that everyone loves: your Mother and my Mom.

... I'm Frank

Ann Sonntag Top District Essayist

Ann Sonntag, Lafayette Grammar School winner in the fourth to sixth grade division of the essay contest held here recently, has placed first in the district competition, according to Mrs. Pearl Johnson, Richmond, district chairman.

Entries were from all schools in Contra Costa County. The contest was sponsored by the American Legion Auxiliary.

Ann's contribution was entitled "America — My Home." Her essay will be entered in the state contest, winners of which are submitted for national judging. Mrs. E. E. Kittredge, in charge of the local contest, stated.

Correction — Services Were for Mrs. Duhem

With a news item about the death of Mrs. Susannah Beeman Duhem, mother of Mrs. Elizabeth Judge, the Orinda SUN last week erroneously had a headline which read: "Rites held for Elizabeth Judge." The headline, of course, should have referred to the rites for Mrs. Duhem.

May Is Ideal Month for Planting New Gardens; Don't Let Haste Make Waste

By BERT WRIGHT

MAY CLIMATE is ideal for planting new gardens and lawns.

If there is any question in your mind about May being too late for planting, dismiss it right now. Although this month is generally packed full of sunny days, the weather is still cool enough to make planting ideal.

Vegetable gardens should be well on their way, with tomato plantings in full swing this week. Set out plants of bell peppers and egg plants now, as well as seed plantings of squash, beans, corn, cucumbers and melons.

FOR BEST RESULTS in seed planting, irrigate the chosen ground thoroughly a day or two before planting. This moisture that you put in the ground will help the seeds to germinate much sooner.

Apply a light coating of peat moss or redwood bark mulch over the top of seeds. This step will protect the moisture in the ground and also create better germination.

In some areas, shading of young plants is beneficial. In all cases, be sure and protect your plants by taking the necessary precautions with insects. A good quality dust of rotenone and sulphur will serve as an all-purpose insecticide and fungicide.

THE SECRET of getting a better crop of either vegetables or flowers is to "buy" for quality, plant wisely, cultivate the plants carefully and provide necessary irrigation.

It takes maybe five minutes longer to sow a 20-foot row of carrots correctly than to fill the drill with a ribbon of seeds. If you have two dozen rows of carrots and other things, where the parallel is equally sound, that means two hours' extra labor.

All right, it takes the amateur from 15 minutes to an hour to perform one extra thinning operation on his row of carrots, if he does it at all, and a comparable amount of time to correct the errors of oversowing with many other crops. The moral is obvious. Buy good seed, trust it, then sow it with the ultimate plant growth in mind.

DID YOU KNOW THAT, thanks to present day pest control development, roses can now be one of the easiest of all flowers to grow and maintain?

It used to be that with our Bay Area dampness and the susceptibility of roses to mildew and fungus, that roses were hardly worth the effort of their rigid spray requirements.

However, since the advent of Orithorix and Isotox, it is the simplest thing to grow healthy and beautiful plants. Orithorix is an effective fungicide against leaf curl and mildew while Isotox is effective against the chewing or sucking insects. These sprays may be combined as one, to take care of all your spraying at once.

SPEAKING OF SPRAYING, have you ever noticed the line of spray equipment available at Diamond K?

We have every type of sprayer from the hose end applicators, the bottle on the end of the hose, to all types and sizes of hand sprays, thru all sizes and types of portable tank sprayers.

Regardless of your spraying need, we have just the sprayer for you.

DIAMOND K also has the largest selection of garden tools in the area so whatever you need try Diamond K first and you'll be pleasantly surprised at our variety from which to choose.

in making your plants grow steadily once they're well started.

You can save seeds in sowing till you're blue in the face, but if your ground isn't worked well, adequately supplied with organic matter and fertile, you're still nowhere. Prepare a good sowing medium always.

Use your materials intelligently. Keep equipment clean. Rinse after using, and let dry in ventilated place.

IT IS ALWAYS ADVISABLE to spray or dust upward, so that the bottom leaves are well covered. The upper sides will be covered anyway. A fine spray under good pressure is always better than any coarse spray.

Spray thoroughly when you spray. (The same goes for dusting.) Choose a windless time if possible. Spray where the bugs are, not just the air over the plants.

All sucking insects must be hit to be killed. And most chewing insects must eat the actual poison to be permanently done for.

Spray regularly unless you are experienced with the habits and characteristics of your pests. A simple routine, faithfully followed, with an all-purpose material is better than sharpshooting with a variety of poisons.

DON'T WORRY about your pests. There are hundreds you'll never recognize.

If you slay the worst ones, you'll get the majority of harmful ones, too. Keep your garden clean, grow your plants carefully. Then enjoy their beauty to the full.

Mrs. E. M. Hopson of Lafayette reports that her Cuthbertson sweet peas now have stems that equal 20 inches in length.

More about pests and insects and their control at a later date.

Stanford Crew Night At Oaks Park May 29

Stanford Alumni in the Bay Area, in cooperation with the Oakland Baseball Club, have designated Tuesday evening, May 29, as Stanford Crew Night at the Oakland Baseball Park when the Oaks meet Seattle.

Proceeds from the sale of tickets will go into the general fund of the Stanford Crew Association to make it possible for Stanford's crew to participate in the National Collegiate Regatta at Marietta, Ohio, June 16.

Health Association Approves Program

Program of activities and budget for 1951-52 were approved by the Executive Committee of the Contra Costa Public Health Association at its first meeting of the new year held recently in the office 1103 Main Street, Martinez.

President, James D. Ryan said, "Interest in Tuberculosis control due to the Rapid Tempo Survey was an important aspect of that program. We hope to increase our health education work to build on this interest. We have outlined a program of rehabilitation for the coming year to help official health and welfare agencies in their efforts to assure every person who develops Tuberculosis to return to abundant living in his community after his disease has been controlled. As needed the Association will continue support of the case finding work of the health departments. We will also enlarge our fact finding of the total tuberculosis control program in the county and the Association's place in the picture."

THE ASSOCIATION has budgeted \$34,788.00 for the year's activities distributed as follows: Tuberculosis Activities, \$18,844.50; Administration, \$6,873.00; Seal Sale, \$7,870.50; Organization, \$1,200.00; leaving a balance of \$1,078.38. The Association gave \$8,636.62 in cash, personnel and supplies to the Rapid Tempo Survey during the past fiscal year.

Books of the Association were audited by J. Clark Householder, C.P.A., and found in order. The audit, financial statement and detailed budget are on file in the Association's office and are open to inspection.

COMMITTEE CHAIRMEN from the area appointed by the president with Executive Committee approval are: Evaluation Study, Clifton E. Brooks, Lafayette, co-chairmen, Mrs. R. D. Boyer, Crockett, Neill C. Cornwall, Lafayette; Tuberculosis Activities, including Rehabilitation, Mrs. George Vurek, Orinda.

SPORTS

Acalanes Varsity Defeats Favored Antioch by 8-7

The Acalanes Varsity came to life Tuesday and racked up an 8-7 win over a favored Antioch nine.

The game, played at Antioch, found the Dons hitting the ball high, wide and handsome, to register ten hits and eight runs.

As things turned out, that proved to be just enough for a win, as Antioch tallied seven times on six hits over the seven-inning route.

THE DONS STARTED the opening inning with four runs on three hits.

Dick Fey started the Big Parade when he drew a base on balls. Bob Fox went down swinging on a third strike, and then it happened.

Jerry Macauley hit for a single to left cented and Bob Borghesani beat out an infield hit, with Fey crossing home plate.

Bob Winklenbach drew a walk to load the bases, and John Bowron, batting left-handed, crossed up an overhauled outfield to hit a double on a line drive down the left field line to clear the bases.

THE DONS ADDED two more runs in the second, when Bob Westlund walked and scored after Fey hit a double. Fey scored when Jerry Macauley hit a double.

ANOTHER TALLY WAS added in the third, when Bob Borghesani hit a single and came home on John Bowron's double, his second of the day, making it 7-0.

In the fourth, what proved to be the winning run was scored when Fey hit his second double of the day and scored standing up when Jerry Macauley rapped out his second double.

BOB WESTLUND started on the mound for the Dons and had been coasting along in fine fashion until the fourth, when a single and two errors loaded the bases.

At this point Bob Borghesani came in from right field and managed to get the side out only after two runs scored when Antioch's Terry Kutich hit a single with two away.

ANTIOCH SCORED TWO more in the fifth. In the seventh four walks and a hit made for three scores, but it was all over when Jerry Holding popped up to Gregg Williams for the third out.

Devilfish Come Near Drowning By Don Mermen

The Acalanes swimmers proved themselves once again Monday afternoon when they smamped an impotent Diablo "devilfish" team 37-3 and were not too far behind the Cal Frosh, who registered 43 points in the triangular meet at the Mt. Diablo pool.

In the Bee event, the Dons splashed their way to a 53-11 win.

New records were established when Sophomore Brooks de Laneux posted a 1:09.0 in the 100-yard breast stroke to break the old mark of 1:10.6.

In the Class Bee meet Kim Wilkin stopped the watches at 53.4 to break his previous record of 54.8.

ARMY JOBS

For the public's convenience, the Army and Air Force Agencies in the San Francisco Bay Area have centralized all local civilian job information at a new office located at 1000 Geary Street, San Francisco, California.

Don Splashers Again County Champs

Perennial champions, the Acalanes swimmers, under the guidance of Coach Lee Arth, ran true to form and swam away with the county titles in the meet at Mt. Diablo High of Concord last Saturday.

In the Varsity meet it was Acalanes 95½, Albany 56, Mt. Diablo 53, Alhambra 7½, Antioch 1 and John Swett 1.

Brooks de Laneux set a league record-breaking mark of 1:10.9 in the 100-yard breast stroke.

DICK HUBACH set a new school and league mark in the 200-yard free style race at 2:08.4.

Jim Keppel of Albany set a league mark of 1:10.7 in the 100-yard backstroke, while brother Bob Keppel of Albany set a new league time of 1:45.9 for the 150-yard individual medley.

IN THE BEE meet, record-breaking was the order of the day, with the Dons setting six new marks, while in the process of scoring .94 points.

Diablo was next with 40, while Albany had 26, Alhambra 8 and Antioch 7.

Those Acalanes Dons Just Keep Piling Up One Championship After Another

By ERWIN MATTSO

ACALANES HAS HAD a big week in an athletic way, with championships being won right and left.

Swimming started it when the Dons copped the Varsity and Bee divisions.

Tennis continued their winning ways and added the county title to their win list.

Track topped it off with smashing victories in both the Bee and Varsity divisions.

Baseball is but half way through its abbreviated schedule at this writing. While the Dons have but one win as against two losses, they still could end up on top of the heap by winning the next three.

THE TROPHY CASE at Acalanes will need extra insurance with all of its newly gained "loot" in the form of trophies representing the various championships!

One of the new sports, golf, looks to be another county champ come tournament time this Saturday. Coach Ed Dilling's boys appear to be the class of the county and rate the favorites' spot.

The beauty of it all is that the nucleus of all teams consists of Juniors or lower classmen, and 1951-52 looks to be a boom year.

A year's maturity and added experience plus top attitude can bring another banner year.

THE COUNTY TRACK MEET held at Acalanes Monday found some outstanding performances.

The Bees got off to a flying start when Al Culp and Don Duncan came through to put their team out in front.

The Bee pennant race figured to be a nip and tuck affair between Diablo and Acalanes.

The Dons' come-through can in a large part be attributed to the lift given by their accomplishments in earlier events.

Don Duncan started it when he heaved the discus 119 feet, one inch, after throwing most of the season a little over the 100-foot mark.

His mark not only won the event but set a new county mark. It was no fluke, as several tosses were close on the winning one.

Al Culp came home the winner in the 330-yard run when he just simply wouldn't quit in the backstretch and went on to win over a Diablo runner who had won in an earlier meet and was the favorite at starting time.

Al was aided by teammate Don Ambrose, who did a beautiful job with Al of boxing their opponent in at the start of the race.

Schedule to Keep Dons Hopping Next Week

Dons Win Track County Titles in Both Divisions

Don track teams did themselves proud Monday afternoon when they played host to the county track teams and ran true to the form sheets to cop the 1951 championships in the Varsity and Bee divisions.

Coach Charles Eaton's Varsity showed 94-5/6 points for the afternoon's work, with Pittsburg registering 61-1/6, Antioch 41½, Diablo 37, Alhambra 9½, Albany 3 and John Swett 1.

Bob Wickman, Darrell Crossman, Joie Pearson and Eric Murray were first place winners, while the relay quartet, composed of Darrell Crossman, Bob Matheson, Ed Broome and Joie Pearson, also ended up on the victory stand to climax a perfect day.

The Dons were defending their championship won at Diablo last year, and in winning proved themselves worthy of the name "Champs."

IN THE BEE events, Coach Robert Lord's thincads pulled out all stops to win the title, which was won last year by the Diablo Devils.

The Devils proved to be the chief opposition this season as they tallied 67-2/3 points to end up in the number two spot to the Dons, who showed 75-1/6 points.

Antioch, with 38-5/6, and Pittsburg, with 36, were third and fourth, respectively, while Alhambra, with 1-1/3 and John Swett, with 0, brought up the rear.

THE 440-YARD relay time of 47.1 found Mt. Diablo tying the county record.

The Dons' Don Duncan made the best heave of his life in the discus event to hit 119 feet, one inch and a new county record.

Next week the Acalane County track champs face the acid test when they enter the North Coast Section meet at the University of California track stadium on Saturday, May 19.

The Dons are not expected to repeat last year's win but should gather a few points.

The team's strength this year has been on all-around balance rather than individual stars.

SWIMMING TEAM appears ready to show George Washington High who is boss when they meet in the

local pool at 3:15, Wednesday.

The swimmers appear to improve with each outing and on past record George Washington will have a long ride home.

TENNIS MEN ALSO APPEAR ready for another win Wednesday with John Swett the victim.

Already county champs, the Dons seem set to hang up the dual meet championship as well.

THE SAME DAY, Wednesday, finds the Varsity Reserve baseball team crossing bats with the Diablo nine on the Don diamond.

It'll be close, with an edge to the Dons, who are definitely on the upgrade.

GOLF SQUAD TANGLES with Burlingame next Friday at Burlingame and the Dons again are red hot favorites, due to their recent showing against the highly touted Lowell swingers.

Today the Dons play host to the county tournament at the Orinda links.

BASEBALL NINE PLAYS Alhambra High here today, in a crucial contest. The Dons appear to have found their hitting eye again, and the local diamond gives them an edge.

NEXT FRIDAY, it's the 1951 finale at Pittsburg in a game that finds the Pitt Pirates a pre-game favorite, with the Dons in a good spot for an upset win.

Cake Sale Over But Funds Still Requested

Because last Saturday's cake sale by the Acalanes Parents Club fell short of its hoped-for results for a scholarship fund, contributions will still be welcome for that purpose.

They can be sent to Mrs. Shyrle Hacker, P.O. Box 207, Lafayette, or Mrs. Sig Groennings, 23 Via Hermosa, Orinda.

Will you be killed tomorrow? Drive very carefully.

Janet Chantler Winner of Award

Janet Chantler, of Orinda, Acalanes senior, won the Achievement Award for ability and scholarship in the liberal arts in competition with students from other East Bay high schools last Friday.

Janet will represent Acalanes at the San Francisco Selection Event May 23. High schools competing in Friday's competition were from Zone 3, of the Bank of America Achievement Awards program being conducted throughout the state to reward students of special merit in various fields of study.

Junior Statesmen Meet at Acalanes

Junior Statesmen from 10 Northern California high schools met last Saturday at Acalanes for their Northern Regional Convention.

Student delegates debated school, national and state issues. The Acalanes debating panel, consisting of Ed Neighbor, Ned Davis, Art Siler and Pat Hoge, won the debate series. Each student on the panel will be awarded a gold medal, and the Junior Statesmen debating trophy will be presented to Acalanes.

Students debated the question, "Should student body cards be required to be able to vote in high school elections?"

The general legislative session adopted three resolutions — one against daylight saving time, another advocating a new, effective national price control system, and a third expressing appreciation to General MacArthur for service rendered the country.

William Ross, faculty advisor for Junior Statesmen at Acalanes, was elected faculty advisor for the Northern California Region.

Statesmen followed up their political program with a special post-legislative dance.

Appeal for Cancer Donations

"Don't wait! Send in your contribution now."

This was the appeal voiced today by Mrs. James Hoey, of Martinez, Contra Costa County chairman of the 1951 Crusade of the American Cancer Society.

Pointing out that it has been impossible to make a thorough solicitation throughout the county, Mrs. Hoey today appealed to all residents of the county to send contributions to chairmen in their respective communities or to secretary of the county organization, Mrs. Aubrey Macomber, 1000 Oak Grove Road, Concord.

"The fact that cancer strikes eventually in one of every two homes creates a tremendous potential of personal interest in the cancer problem," she declared. "We hope that the contributors will consider this fact in apportioning their gifts."

700 at Oriole-Tanager Lunch, Fashion Show for Aid of Child Therapy Center

With an atmosphere of spring and a display of fashions that created the feeling that vacation time was close at hand, the Orinda Auxiliary of the Mt. Diablo Child Therapy Center entertained some 700 guests at a benefit canasta-bridge luncheon and Children's Fashion Show at the Diablo Country Club Wednesday afternoon.

The affair, which was sponsored by both the Oriole and Tanager units of the Auxiliary, was planned by a committee under the leadership of Mrs. Franklin Silva of the Orioles and Mrs. George R. Klement of the Tanagers.

SPRING DECORATIONS in the form of pussy willow trees on which perched tiny birds, representing the two units, were on each table, as also were programs carrying out the bird theme.

Each guest was presented with table favors, and many prizes were awarded. The grand prize, \$50 in cash and a four-day trip to the Gray Eagle Lodge in the Feather River Canyon, was won by Mrs. Donald P. Krotz of Orinda.

Aiding in the awarding was Mrs. Mary Doyle, the first therapist of the Therapy Center. Mrs. Ida Zamloch served as master of ceremonies for this part of the program.

THE CHILDREN'S FASHION SHOW, which featured a vacation theme that took the audience through a day at a resort, was narrated by Miss Harriet Golde, better known as Miss Harriette. The fashions were presented by the Oakland store of Joseph Magnin and were displayed in four groups.

The first costumes were grouped under the title "Morning Play" and showed play clothes and breakfast coats for all ages. Master Stevie Brush stole this part of the show with his display of great pride in the bright plaid breakfast coat which he modeled.

THE NEXT GROUP of outfits was classified as "Lunching Out." Undies for the little miss were

shown by the tiny models, and the mother and daughter outfits for stepping out to luncheons in vacation time were especially outstanding.

Teen-age styles were also represented in the smart luncheon outfits, and the young boys with their Hawaiian print shirts showed what the young male population will wear this summer.

Bathing suits, sport togs and matching play suits were all shown under the grouping entitled "Resort Parade." Here among the favorites were the brother and sister swimming outfits for the young fry and the matching teen-age sister play sets worn by Patricia and Margaret Zamloch. Mother and daughter sets were smart and colorful, too.

The next group of models displayed their outfits under the heading "After Eight." Among these were party frocks for the teenagers, street outfits for vacation wear, and dress-up suits and full skirted dresses for the very young members of the vacationing family.

THE FASHION SHOW closed with a group of models displaying the thought, "Good Night." The youngsters, hugging their teddies and their dollies, modeled the latest summer fashions for "Sleepytime." After the show the guests enjoyed games of canasta and bridge.

Those modeling for the luncheon included Mrs. Ramona Smith, Barbara Brush, Valerie Silva, Steve Brush, Mrs. Millie Silva, Caroline Coburn, Sue Bonds, Susan Harter, Michele Harter, Patricia Zamloch, Margaret Zamloch, Julie Ann Smith, Marita Harter, Mrs. Betty Coleman, Terry Coleman, Linda Barges, Bobbie Eberlin, Paula Corey, Pat Smith, Cassandra Coates, Don Silva, Mrs. Margaret Anderson, Pamela Anderson, Lee Anderson, Sherrill Fitch, Pattie Bonds, Mrs. Helen Harter, Suzanne Harter, Naomi Pettengill, Ellen Johnston, Janet Morris and Nancy Wise.

Father Will Be Featured at Party

Final plans for the Box Supper to be held next Friday by the women of St. Stephen's of Orinda at the Robert Moorhead home are being completed. The women are planning the evening from beginning to end—from fried chicken to Auld Lang Syne—to feature Father.

Dr. Paul Slattery, well known for his special line of patter, as well as his outstanding surgical ability, will auction off the delectables.

MRS. D. B. WOODCOCK and Mrs. E. M. Schmidt, who are kept very busy entertaining in the East Bay, will give their interpretations of native Hawaiian dances.

Mr. and Mrs. James Brown with accordion, will lead the singing.

THE CHOIR, under the direction of Sherwood Y. Thatcher, is working on a special skit, but they're not telling!

Mrs. Stuart Henderson will add a special fillip with one of her inimitable interpretations from Cornelia Otis Skinner's book "Nuts in May."

MUSIC FOR THE evening will be furnished by the Acalanes Talent Team, consisting of "Dino and His Accordion," and a guitar, banjo and harmonica.

Please get your reservations in now. Dewitt-Orinda 5361; Moorhead-Orinda 8077.

Mrs. Henry Visits

Mrs. Rose Henry, mother of Art Henry, is visiting his family from Sandusky, Ohio.

Will you be killed tomorrow? Drive very carefully.

Giems Qualify for Skating Contest

Norman and Suzanne Giem have qualified for the State Roller Skating Competition to be held at Marysville Sunday, Monday and Tuesday.

Norman is entered in juvenile speed, and Suzanne in both juvenile speed and skate dancing. Her dancing partner is Paul Schneider of Pittsburg, and they have a lovely routine worked out and royal blue costumes to wear. The first, second and third ranking winners of this regional contest, which includes entrants from Oregon, Washington and California, will then go to Cleveland, Ohio, for the national finals. Best of luck, Norman and Suzanne!

Family Picnic of Methodist Church Set for May 20th

The Family Picnic of the Lafayette Community Methodist Church will be held Sunday afternoon, May 20, 2:15 to 7:45 p.m., at Redwood Canyon.

Cars will start leaving the church at 2:15, and if for any reason the whole family can't come there will be room for the kids in other cars.

Social and Clubs

Fellowship Has Dinner Program

Pilgrim Fellowship members and their parents enjoyed a potluck dinner and program at the Orinda Community Church April 22. All 60 enjoyed the games and discussions that followed.

On April 29, 25 young folks and some parents attended a Pilgrim Fellowship rally in the Piedmont Community Church. One of the objects of the rally was to promote the East Bay High School camp near Cazadero June 16-23.

The Orinda P.F.'ers had a jolly day's outing May 5 at Stinson Beach with Ray Fowler in charge.

Unique Color Films To Be Shown

Unique time-lapse color motion pictures of plant and flower life will be shown under the direction of Jack Schneider at the monthly Family Church Night of Orinda Community Church Wednesday at 8:30, according to the committee headed by A. T. Styles.

Another committee member, Dr. Carl Smith, will preside at the dinner and program. Fellowship is a feature of these potluck affairs, with community singing, a brief devotional period led by Rev. Fred Morrow, and a small amount of church business. An additional program is provided for boys and girls who are too young to appreciate the adult program.

The usual plan is to be followed by Section Four of the Guild in preparation for the dinner. Each family triples the servings of a single dish—salad, entree or dessert—for each family member attending. Coffee and bread are provided by a small-change offering. Reservations are desirable in order to set sufficient tables and even up the courses. Please call Mrs. Ogden, 2377, or Mrs. Phelps, 2891.

Club Officers To Be Installed

The regular monthly meeting of the Orinda Mothers Club will be held Tuesday, 2 p.m., at the Orinda School Auditorium.

This will be the last business meeting of the year; election and installation of new officers being the main business.

The Orinda School Band and Glee Club will furnish entertainment. Refreshments will be served by mothers of the Orinda School morning kindergarten under the chairmanship of Mrs. Clinton DeWitt room mother.

Child care will be available as usual at the Community Church.

Republican Women Plan Programs

The Republican Women's Club of Orinda will hold its final business meeting of the season, May 24, at 10 a.m., at St. Stephen's Church in Orinda Village.

There will be a short program after the meeting.

On May 21 at 2 p.m., at Veterans Memorial Building in Lafayette, the Korean consul general, Young Han Choo, will give a talk on Korea. All who have heard the consul general speak will agree that he has much to tell that is of great interest to all.

We hope that many Orindans will take advantage of this opportunity to hear this outstanding speaker.

P. Williams Here

Palmer Williams, minister of Orinda Community Church in 1945, with his wife Jean and young son were visitors recently at the Lance Barden home. Their home now is Long Beach.

Rites to Unite Edward Bruce Potter, Helen Lavagnino, Former Classmate

Edward Bruce Potter, son of Mr. and Mrs. Ralph Albert Potter of 300 El Toyonal, will wed his former University of California classmate, Helen Rose Lavagnino, at rites in Berkeley tomorrow afternoon.

The Rev. Thomas D. Ewing of Santa Cruz will officiate at the services which have been planned for 4 o'clock at Knox Presbyterian Church in the campus city.

The bride-elect's father, Frank T. Lavagnino, will give his daughter in marriage, coming from their

Stockton home for the occasion.

Helen Grondorf will be the bride's honor attendant, and bridesmaids will be Billie Blakely, Joan Potter and Barbara Price, all college friends. Richard Litherland will be best man for the groom, and Andrew Lavagnino, William Loper and Donald Krug will usher guests to their places.

Miss Lavagnino is now majoring in occupational therapy at San Jose State College.

Her fiancé is at San Francisco Theological Seminary.

Joan Norton Marries in Germany

More European wedding news in the Earl A. Norton family is the recent marriage of Joan Norton to John E. Peebles. The bridegroom, on duty in Germany with the Army, is from South Carolina.

Marriage vows were exchanged at Heidelberg Military Post and a reception was held at the Harmonie Club in Heidelberg. Mrs. James L. Herring, the former Joan Norton, was her twin's attendant, and James Herring was best man for the groom. Col. E. O. Lee gave the bride in marriage.

Bud Moulthrop's Engagement Told

Betrothal of Patricia (Patsy) Wright to Franklin W. (Bud) Moulthrop, son of former Orindans Mr. and Mrs. John H. Moulthrop, was announced in the Bay Area and in San Marino recently by the bride-elect's mother, Mrs. James Buford Wright.

At her San Marino home, Mrs. Wright revealed the engagement to 150 guests who attended a tea and reception there April 26.

"Bud," an Acalanes High School graduate, received his degree from University of California last June. He is a Phi Delta Theta, a member of the Los Angeles Athletic Club, and holds a commission in the United States Army Reserve.

The bride-elect attended U.C.L.A. where she was affiliated with Kappa Kappa Gamma Sorority. She spent her junior year on the U.C. campus at Berkeley. A member of Blue Bonnets auxiliary to the California Babies and Children's Hospital, she also belongs to the junior auxiliary to the Huntington Hospital.

Letters To The Editor

Dear Editor: On behalf of the Orinda Community Church and its several organizations, I want to express sincere appreciation to you and the SUN for your generous policy in helping us to make known the events of our program throughout the year. You are rendering a fine community service, and since that is what we are trying to do also, we appreciate your cooperation.

Cordially yours,
FRED MORROW.
